## THE GAELIC ATHLETIC ASSOCIATION

The Gaelic Athletic Association today is an organisation which reaches into every corner of the land and has its roots in every Irish parish. Throughout the Country, legions of voluntary workers willingly make sacrifices to promote its ideals and carry its daily burdens. Why does the Association receive this unselfish support?

Those who play its games, those who organise its activities and those who control its destinies see in the G.A.A. a means of consolidating our Irish identity. The games to them are more than games - they have a national significance - and the promotion of native pastimes becomes a part of the full national ideal, which envisages the speaking of our own language, music and dances. The primary purpose of the G.A.A. is the organisation of native pastimes and the promotion of athletic fitness as a means to create a disciplined, self-reliant, national-minded manhood. The overall result is the expression of a people's preference for native ways as opposed to imported ones.

Since she has not control over all the national territory, Ireland's claim to nationhood is impaired. It would be still more impaired if she were to lose her language, if she failed to provide a decent livelihood for her people at home, or if she were to forsake her own games and customs in favour of the games and customs of another nation. If pride in the attributes of nationhood dies, something good and distinctive in our race dies with it. Each national quality that is lost makes us so much poorer as a Nation. Today, the native games take on a new significance when it is realised that they have been a part, and still are a part, of the Nation's desire to live her own life, to govern her own affairs.

- (c) The Hearings Committee shall adjudicate in all instances where a Hearing is requested relating to the Enforcement of Rules, other than Objections and Counter-Objections.

- (f) Disciplinary Action alleging Misconduct at Games Infractions may only be commenced by the Competitions Control Committee where:
- (i) The Referee's Report discloses the alleged Infraction; or
  - (ii) The Referee has failed to submit his report within a period of 10 days after the Game concerned; or
  - (iii) Clarification of the Referee's Report is received stating that the Referee did not adjudicate upon the subject matter of the Request.
- (g) The procedural Rules following shall not apply in the cases of the imposition of a specified minimum fine in Rule or Match Regulation or loss of points for failure to fulfil a league fixture, in which cases the Unit concerned shall be entitled only to written notice of the imposition of the penalty, and not to a Hearing from a Hearings Committee.

***Preparation of Charge***

- (h) Where Disciplinary Action is commenced, the Competitions Control Committee shall investigate the matter in such manner as is expedient, interview such persons (including Match Officials) as they deem appropriate, accumulate such relevant evidence as is made available to it (whether suggestive of the

commission of an Infraction or exonerative of the Members or Units concerned), and prepare a Report (“the Disciplinary Report”).

A formal Disciplinary Report is not necessary where sufficient detail is contained in a Referee’s Report and a copy of the Referee’s Report or the applicable part thereof is supplied to the Defending Party, with a covering letter stating the Rule(s) concerned.

In the event that the Competitions Control Committee omits from the Disciplinary Report evidence that is subsequently shown to be relevant, this shall not of itself affect the validity of the Disciplinary Action.

***Urgent Cases***

- (j) In urgent cases, where a Player believes that he may be the subject of Disciplinary Action, but has not received Notice of Disciplinary Action, he may request the Competitions Control Committee to clarify his position. The Competitions Control Committee shall make emergency arrangements on receipt of such a request to check and direct on the position of the Player concerned.

***Notice of Disciplinary Action***

- (k) The Hearings Committee may, at any stage of Disciplinary Action, allow any document submitted by any party to that Disciplinary action to be amended.

Where a document used in the course of Disciplinary Action prior to a Hearing requires amendment, the party requiring its amendment should notify the other party at the earliest reasonable opportunity of the proposed amendment, and the Hearings Committee shall be entitled to give retrospective effect to any amendment as befits the circumstances.

- (l) Where Disciplinary Action is commenced, Notice shall be given to the Defending Party. Central Council shall prescribe Forms of Notice for the assistance of Competitions Control Committees.
- (m) Notice shall be given in the manner prescribed for service of Notices under Rule 4.5 - Communications.

***Reply***

- (p) The Defending Party shall reply within three days from the date and time of receipt by him or it of the Notice and may:

- (1) accept the Proposed Penalty, or
- (2) request a Hearing, by sending a written Reply.

Central Council shall prescribe Reply Forms for the assistance of Members and Units.

- (q) Where the Defending Party accepts the Proposed Penalty, that Penalty shall be imposed. The Competitions Control Committee shall confirm imposition of the Penalty to the Defending Party by Notice, quoting the Rule(s) under which the Penalty is

imposed.

- (r) Failure to reply to a Notice of Disciplinary Action within three days from the date and time of receipt of the Notice shall constitute acceptance of the Proposed Penalty. If it is later proved to the satisfaction of the Hearings Committee that service of the Notice of Disciplinary Action was not effected by the Competitions Control Committee in accordance with this Rule, the Hearings Committee shall direct re-service of the Notice of Disciplinary Action and the matter shall proceed accordingly.
- (s) Where the Defending Party requests a Hearing, he shall indicate in his Reply any special requirements with regard to the Hearing (e.g. video playing equipment). He may also submit a written Request for Clarification of the Referee's Report and that Request and the Clarification received shall be furnished by the Competitions Control Committee to the Hearings Committee and the Defending Party.

Any party shall be furnished with Copy Extracts of Official Records or Documents in the possession of the Director-General, Provincial or County Secretary or the Council or Committee-in-Charge upon written application.

- (t) Where the Defending Party requests a Hearing, the Competitions Control Committee shall pass a copy of the Notice and the Reply, with all references therein to the 'Proposed Penalty' deleted, to the Secretary of the Hearings Committee, who shall arrange the Hearing and, as soon as possible thereafter, notify the Defending Party and the Competitions Control Committee of the place, date and time of the Hearing, and of any other relevant matters.

Hearings

- (u) The Hearings Committee shall preside over any Hearing. The Hearing shall require a quorum of three members of the Hearings Committee, however not more than five members shall preside where the Defending Party is a Juvenile Member (under 16 years of age). Not more than two members of the

Competitions Control Committee shall attend the Hearing to present the evidence contained in the Disciplinary Report.

- (w) No Member of the Association may communicate with any member of the Competitions Control Committee or the Hearings Committee with a view to influencing the outcome of the Hearing. Unauthorised communication in breach of this Rule shall be treated as Misconduct Considered to have Discredited the Association. This Rule shall not, however, prevent any witness giving relevant evidence at a Hearing.
- (x) At any Hearing, a Club, Committee or Council shall be represented by a maximum of two of its Full Members. A Member shall attend personally and may be accompanied by one Full Member of his Club/ Unit. In addition to the foregoing, Juveniles may be accompanied by their parent(s) or guardian(s).
- (y) Where the Defending Party who has requested a Hearing fails to attend it without reasonable explanation, the Proposed Penalty shall be imposed, together with a Fine of €100 in the case of a Club or €300 in the case of a County Committee or Provincial Council.
- (z) The Hearings Committee will decide on all matters of procedure, and may adjourn Hearings and take such steps as are necessary and appropriate to the Hearing.
- (aa) The following Rules of Evidence shall apply:
  - (1) In general, evidence at a Hearing shall be oral, except that:
    - (i) Agreed matters of fact may be stated in writing;
    - (ii) The Hearings Committee shall attach to documentary evidence (including video evidence) such level of reliability as befits it

- in the circumstances of the Hearing;
- (iii) Video evidence introduced by any party shall be admissible provided that:
    - (a) a copy has been furnished to all other parties within a reasonable period prior to the Hearing, and
    - (b) the Hearings Committee is satisfied that the video evidence is reliable and unedited;
  - (iv) Age may be proved with a valid Birth Certificate or valid Passport. The obligation to prove age shall be on the person whose age is in dispute, or his Club or other representative Unit;
  - (v) Where the Defending Party is in the exclusive or best position to prove or disprove a disputed allegation (e.g. for a Club to prove the identity of one of its members) and does not take the opportunity to give evidence on the matter, the Hearings Committee may draw adverse inference from that failure;
  - (vi) A Referee's Report, including any Clarification thereto, shall be presumed to be correct in all factual matters and may only be rebutted where unedited video or other compelling evidence contradicts it;
  - (vii) A Referee or other Official shall not be required to give oral evidence or to appear for cross-examination;
  - (viii) After the Hearing, the Hearings Committee may, in its sole discretion, seek Clarification in writing of any matters in the Referee's Report. Any written Clarification or comment by the Referee shall have the same status as the Referee's Report itself, but may only be used for the purposes of exoneration of the Defending Party or mitigation of any allegations made against him. Such

Clarification may not be challenged in any way or made the subject matter of any further Hearing.

- (2) The Defending Party may call witnesses to give evidence on its behalf, and it is its own responsibility to secure the attendance of such witnesses.
- (3) No evidence shall be given or submissions made in the absence of any party to the Disciplinary Action unless they fail to attend at the Hearing without reasonable explanation. If evidence is so given through inadvertence, it shall be repeated in the presence of all parties, so that no prejudice is caused to the party previously absent.
- (4) Any Member found by the Hearings Committee to have given deliberately false evidence, whether orally or in writing, or to have deliberately misled any Hearing, shall be suspended for a minimum of 48 weeks, without a further Hearing.
- (5) Evidence or information shall not be accepted or considered unless applicable to a period not longer than 96 weeks prior to the date of the Hearing. Exceptions to this provision shall be:
  - (i) Copy Extracts of Official Records or Documents provided to any party by the Director General, Provincial or County Secretary, or the Committee-in-Charge.
  - (ii) Proof of Age.
- (6) Any 'Proposed Penalty' shall not be disclosed to a Hearings Committee, but if disclosed mistakenly, such disclosure shall not invalidate the Hearing, and it shall be disregarded by the Hearings Committee.

### ***Decision***

- (bb) The Hearings Committee has the final power to determine all matters of fact and all sources of evidence submitted to the Hearing shall be considered. An Infraction shall be treated as proved if, in the opinion of the Hearings Committee, the

Infraction alleged is more likely to have occurred than not to have occurred.

- (cc) Where the Infraction alleged is proven to the satisfaction of a Hearings Committee, the Hearings Committee shall be entitled to impose such penalties as it deems fit, subject to Rule, and with due regard, where appropriate, to Rules 7.2(b) and (c) (as these relate to 'Repeat Infraction') and/or 7.5(b), and without being bound in any respect by the terms of the Proposed Penalty.
- (dd) Subject to the Rules of Evidence above, the Hearings Committee may make a finding that the facts proved disclose an Infraction, but one less serious than that alleged in the Notice of Disciplinary Action, and may make a decision accordingly.
- (ee) Where a Player who is involved in an Inter-County Team in a current Championship or National League is reported as having committed a Category IV or V Misconduct at Games by Players Infraction, and that Player, when notified of the commencement of Disciplinary Action against him, seeks a Hearing, that Hearing shall be conducted by the Provincial Hearings Committee or the Central Hearings Committee, as appropriate, and not the County Hearings Committee or a Divisional/Other Sub-Committee Hearings Committee.  
Save for this procedural change, such Disciplinary Action cases shall otherwise be conducted in accordance with the procedures set out in this Rule 7.3.
- (ff) A decision shall be made by a majority of the members of the Hearings Committee presiding over the Hearing. The decision and the Rule(s) under which it was taken shall be recorded and shall be notified to the Competitions Control Committee and the Defending Party. In the event of a Penalty being imposed, the Competitions Control Committee shall record the Penalty.
- (gg) No decision made on foot of any Hearing shall affect the validity of any decision of the Referee with regard to the allowance or disallowance of a score or award

of any free or the playing time allowed, or the validity of any Suspension served prior to the Hearing.

#### **7.4** Validity of Team Constitution

- (a) Without prejudice to the general disciplinary jurisdiction of the Council or Committee-in-Charge or the Rules concerning Objections, the Competitions Control Committee of a Council or Committee-in-Charge may, of its own volition, or shall on receipt of a request from a Unit involved in the Game, investigate in such manner as it deems fit the validity of the constitution of a Team taking part in any Game.
- (b) Where on foot of such investigation, and not an Objection, the constitution of a Team taking part in a Game is found to be invalid, the Competitions Control Committee shall impose such penalty in respect of the result of the Game as applies (including Forfeiture, where appropriate, but without Award of Game to the Opposing Team). The Competitions Control Committee may also commence such Disciplinary Action as is appropriate in the circumstances.

#### **7.5** Suspensions

##### *Interpretation of Terms*

- (a) For the purpose of interpretation of Suspensions and in Rule generally:
  - (1) “Level” shall mean the representative level at which the Suspension concerned was incurred e.g. Inter-Provincial, Inter-County, Club, Third-Level, Schools etc. Where a Team of one Level is playing a Game or Competition at another Level, e.g. Third-Level College v.   - (3) “Player” shall mean a person whom the Council or Committee-in-Charge considers to have been a member of a Team panel involved in the Game in question.

No Suspension shall exceed 96 weeks. However in exceptionally serious cases the penalties of Debarment from playing or Expulsion may be imposed.

***Next Game in Competition***

- (f) In the case of disciplinary proceedings involving a member who is in receipt of remuneration under a contract of employment with the Association or with any unit or agent of the Association, a penalty imposed under these Rules shall not prevent the member from fulfilling duties required to be performed under the terms of contract.
- (g) In any case where a Suspension has been imposed by a Council or Committee-in-Charge, but the existence of a prior Suspension for a Misconduct at Games Infraction within 48 weeks or 96 weeks (as appropriate), which would affect the penalty applicable, has not in the first instance been brought to the attention of the Council or Committee-in-Charge, the Council or Committee-in-Charge shall impose such additional penalty as applies to the case.

Any additional Suspension imposed shall commence at the date of expiry of the Suspension already imposed or from the date of the last Game played, whichever is the later.

Where the Council or Committee-in-Charge is satisfied that the failure to disclose the prior Suspension was by reason of deliberate concealment, and that the suspended Player played in any Game(s) during the period when he ought to have been suspended, the Council or Committee may impose such additional penalty, including Forfeiture of the Game(s) (without Award to the Opposing Team, except on a proven Objection) and/or further Suspension, as it deems appropriate.

***After-match Presentation***

- (h) A player who stands suspended as a consequence of being ordered off during a Final, shall not participate in the After Match Presentation Ceremony.

Penalty: 4 weeks Additional Suspension.

***Term of Suspension***

  - (3) In any other case of Misconduct at Games or proven illegal participation in a game by a Player, from the date of his last Game played (where a Category I (Repeat), II or III Misconduct at Games Infraction is concerned, this shall refer to the last Game in the Code and at the Level in which the Infraction was committed);
  - (4) In the case of a Non-Player, from the date of

acceptance of the Proposed Penalty or the expiration of the three days specified in Rule 7.3(r), whichever is the earlier; or where he seeks a Hearing, from the date of the decision of the Hearings Committee.

- (j) A term of Suspension shall be in consecutive weeks except where a Suspension is extended pursuant to part (f) of this Rule after the expiration of the period first imposed.

***Penalty for Breach of Suspension***

- (l) The penalty for illegal participation while under Suspension shall be:

For a Member/Player: 24 weeks Additional Suspension

For a Team playing a suspended Player:

- (a) Arising from proven Objection-Award of Game to Opposing Team

***Juvenile Suspensions – Special Rules***

- (m) Except as provided in (n) below, Juvenile Players participating in Under 16 or younger Grade Competitions shall be subject to penalties for Misconduct at Games Infractions on the same basis as under the General Rules above, except that the Minimum Time Suspension shall in each case be one-half of that otherwise applicable.
- (n) For Misconduct at Games in a National Under-Age

Festival Competition (for Under 16 or younger Grade) played off in one day or over consecutive days, Time Suspensions as provided for in (l) above shall be substituted with Suspension from playing in the next ensuing Game(s) in the Competition, with one Game Suspension for every two weeks or part thereof Time Suspension. Where the Player's Team's involvement in the Competition ends before the Game Suspension is exhausted, the remaining portion of the Suspension shall be re-substituted with two weeks for every Game.

- (o) Where a Club is suspended, the Suspension shall not apply to its Juvenile (Under 16 and younger) Section unless specifically included by the Council or Committee-in-Charge.

***Reduction of Suspensions and other Penalties***

- (p) A Council or Committee which imposes a Suspension or other Penalty which is more than the minimum provided for, shall have the power on one subsequent occasion to reduce the penalty imposed on application of the Unit or Member affected, subject as follows:
- (1) It is demonstrated to the satisfaction of the said Council or Committee that the Penalty imposed is unduly harsh;
  - (2) The Council or Committee may not reduce the Penalty below the minimum provided for in Rule or Bye-law;
  - (3) This Rule shall not authorise any Council or Committee to exonerate the penalised Unit or Member, or treat it or him as having committed any different Infraction; and
  - (4) If the original Suspension or other Penalty was varied on an Appeal, the Review Application must be made to the Appellate Committee concerned.

**7.6** Disqualification of Teams and Forfeiture of Games

## Appendix 5 Disputes Resolution Code

### 1. The Disputes Resolution Authority and Jurisdiction

1.1 An Authority known as The Disputes Resolution Authority shall be established. It shall be independent of the Association and be bound only by the Provisions of this Code.

It shall consist of a Secretary, who shall be appointed for a term or terms, none of which shall exceed three years, by Congress on the nomination of Central Council. If a vacancy occurs between Congresses, it shall be filled by the Central Council, and the appointment shall be ratified at the following Congress.

The Secretary shall have power to appoint Deputies and/or Assistants.

The Secretary shall maintain a Panel of not fewer than 30 persons, made up of not fewer than 15 persons who have qualified as solicitors or barristers or arbitrators (Group 1), and not fewer than 15 persons without such qualification, who, by virtue of their experience and expertise in the affairs of the Association, are properly qualified to resolve disputes relating to the Rules of the Association (Group 2).

The Secretary's selection of Members of the Panel shall be ratified by Central Council.

No serving Officer at County, Provincial or National level shall be eligible for the panel.

1.2 The Disputes Resolution Authority shall be indemnified in respect of all costs, expenses and liabilities by the Association and shall lay an account of its business before Central Council (or its appointed subcommittee) on an annual basis. The Disputes Resolution Authority shall not be liable for anything done or omitted in the discharge or purported discharge of its functions unless the act or omission is shown to have been in bad faith.

- 1.3 The Rules of the Gaelic Athletic Association (including Bye-Laws, Regulations, and Interpretations of Rules by Central Council applicable to the decision, the subject matter of the dispute) (“the Rules”) and the Laws of Ireland shall govern and be applied to any issue between disputing parties. The Tribunal (as defined in Section 5) shall make such enquiries, seek such opinions and evidence, and make such orders as it considers fit, subject to this Code and to Law.
- 1.4 In all matters in which the Secretary of the Disputes Resolution Authority has a function under this Code, he/she may appoint a deputy to act in his/her place where, for reasons of practicality, he/she is not in a position to act. Such Deputy shall have all the powers and functions of the Secretary when acting with his/her authority.

## 2. Request for Dispute Resolution

- 2.1 Any party to a dispute governed by this Code who seeks a determination (“the Claimant”) must submit to the Secretary of The Disputes Resolution Authority a written request for dispute resolution proceedings (“the Claim”) containing the following details:
- (a) the names and addresses of all parties to the dispute and their dates of birth if under the age of eighteen;
  - (b) a brief statement describing the nature and circumstances of the dispute, and specifying the remedy claimed;
  - (c) copies of any rules, regulations, bye-laws, rulings or legal authority relevant to the claim;
  - (d) a statement of any matters on which the parties have already agreed in relation to the conduct of the dispute resolution proceedings, or proposals (if any) in relation to such conduct;

- (e) Confirmation that all available avenues of appeal under the Official Guide have been exhausted; and
- (f) A statement that the contents of the Claim are true and accurate.

A prescribed form is set out at the end of this Code, and the Secretary may publish updated prescribed forms for Claims under this Rule.

- 2.2 The Claim shall be notified to the Secretary of The Disputes Resolution Authority as soon as possible after all available appeals within the Rules have been completed, and in any event within 7 days of the last decision, and no Claim shall be entertained after that date, unless the Secretary is satisfied that there is good reason for extending the time.
- 2.3 The Claim shall be accompanied by a deposit in the amount of €1,000 towards the expenses of The Disputes Resolution Authority, which amount shall be reviewed by the Secretary on an annual basis and notified to Central Council in the audited accounts. At the end of any Dispute Resolution proceedings, the total expenses of The Disputes Resolution Authority in the proceedings shall be calculated and the Tribunal (as defined in Section 5) may direct that the expenses be paid by such party or parties as it deems appropriate, and for this purpose may require that any successful Claimant be reimbursed in respect of the deposit by any unsuccessful parties.
- 2.4 The Claimant must serve a copy of the Claim together with copies of any documents supplied to the Secretary on the other party or parties (“the Respondent”) as well as on the Director General of the Gaelic Athletic Association. The Claimant shall confirm in writing to the Secretary when submitting the claim that such documents have been duly served. The date of receipt by

the Secretary of the claim shall be the date the dispute resolution proceedings commenced (“the Commencement Date”).

### 3. Response by Respondent

Within 7 days, or such extended, or in cases of special urgency, reduced, time limit as the Secretary of The Disputes Resolution Authority may impose and notify to the Respondent, of the Commencement Date, the Respondent may send to the Secretary a response (“the Reply”) containing the following details:

- (a) a response by way of admission or denial of each statement in the Claim;
- (b) a brief statement of the nature and circumstances of any applicable counterclaim being made;
- (c) comment in response to any statements contained in the Claim on matters relating to the conduct of the dispute resolution proceedings;
- (d) confirmation that all available avenues of appeal under the Official Guide have been exhausted; and
- (e) a statement that the contents of the Reply are true and accurate.

and shall confirm in writing to the Secretary that a copy of the Reply together with copies of any documents supplied to the Secretary have been duly served on the Claimant, on any other Respondents and on the Director General of the Gaelic Athletic Association. A prescribed form is set out at the end of this Code and the Secretary may publish updated forms for Replies under this Rule.

### 4. Mediation

4.1 The Disputes Resolution Authority shall encourage mediation and negotiations where practical, and shall, if requested and otherwise at the Secretary’s discretion, notify the parties of the names and contact details of persons willing and able to assist in the amicable resolution of disputes within the Rules of the Association.

4.2 Mediation and negotiation shall be without

prejudice to the dispute resolution proceedings and may take place and continue at any time during the dispute resolution proceedings.

## 5. The Tribunal

- 5.1 Subject to Section 5.4 below, any dispute submitted to The Disputes Resolution Authority shall be decided by a Tribunal (“the Tribunal”) of three persons selected from The Disputes Resolution Authority’s Panel, at least one of whom shall be selected from Group 1 and at least one of whom shall be selected from Group 2 of the Panel.
  
- 5.2 Every person conducting dispute resolution proceedings under this Code must be independent and impartial, and must never act as advocate for any party.
  
- 5.3 The Secretary of The Disputes Resolution Authority shall provisionally select the Tribunal from The Disputes Resolution Authority’s Panel and shall notify the parties of the names of the Tribunal members as soon as practicable after they have been selected. The Tribunal shall be so constituted, unless the Secretary receives an objection from one or more parties to any person provisionally selected within three days of notification (or such shorter period as may be set in the event that the hearing is set for an earlier date), and is satisfied that such person has a genuine conflict of interest.
  
- 5.4 If all parties to the dispute agree that the Tribunal shall consist of only one person nominated by them from The Disputes Resolution Authority’s Panel, they must notify the Secretary accordingly, and the Secretary, provided that he/she is satisfied that the nominated person is independent of the parties to the dispute, shall appoint that one person, and that one person shall constitute a valid Tribunal.
  
- 5.5 If any member of the Tribunal refuses, or in the opinion of the Secretary becomes unable or unfit

to act, the Secretary of The Disputes Resolution Authority shall appoint another person to the Tribunal in his/her place.

- 5.6 The Tribunal members shall select one of their number to act as Chairperson, and in default of agreement, the Secretary shall select the Chairperson.
- 5.7 The Tribunal may decide on its own jurisdiction, including any objections with respect to the existence or validity of the particular referral to arbitration in accordance with the Official Guide. For that purpose, this Code shall be treated as an agreement independent of the other terms of the Rules of the Association.

## 6. Communications

- 6.1 The parties shall not communicate with the Tribunal except through the Secretary of The Disputes Resolution Authority, unless so directed by the Secretary.
- 6.2 The Secretary may communicate with any party directly to confirm receipt of Documents, and may send copies of any Documents to them.
- 6.3 Correspondence from one party to the Secretary of the Disputes Resolution Authority shall be accompanied by three extra copies, and a further copy of such correspondence must be sent by that party to every other party to the dispute.
- 6.4 All communications shall be either hand delivered or sent by post, email or facsimile transmission to the parties at the addresses set out for each in the Claim, or at such address as any party may have previously notified The Disputes Resolution Authority, the Tribunal and the other parties. Any such communication shall be deemed to be served:
  - (a) if hand delivered, at the time of delivery,
  - (b) if posted, at the expiration of 48 hours

after the envelope containing the same shall have been put in the post, and  
 (c) if sent by email or facsimile transmission, at the expiration of 12 hours after receipt of the same has been automatically acknowledged to the sender thereof, and in proving such service, it shall be sufficient to prove that delivery was made or that the envelope containing the communication was properly addressed and posted as a prepaid letter, or that the email or facsimile transmission was properly addressed, despatched and acknowledged as the case may be.

6.5 In cases of special urgency, the Secretary, the Tribunal and (provided that permission from the Secretary has been obtained) the parties may use telephone or such other methods as are necessary in order to give notice.

6.6 The Tribunal may deem communications to be adequate notwithstanding a failure of compliance with this Section 6, if the same were sufficiently effective.

## 7. Conduct of the Proceedings

7.1 The Tribunal shall conduct the dispute resolution proceedings in such manner as it considers fit and may follow any arbitral procedure agreed by the parties if it is in the Tribunal's opinion reasonably practicable so to do.

7.2 The Tribunal or its Chairperson may hold a preliminary meeting with the parties at which the parties may be given directions as to time limits and procedures, including time-tables in respect of steps to be taken.

7.3 If directed to do so by the Tribunal, the parties shall make written submissions to the Tribunal giving further details of their Claim and Reply.

- 7.4 In cases of special urgency, the Tribunal (or, if the Tribunal has not yet been constituted, the Secretary of The Disputes Resolution Authority) may, on the application of either party, direct that a hearing be held on a specific date and that any time limits set out in this Code be varied, as so directed.
- 7.5 Each party must submit to the Secretary within such time as the Tribunal shall direct, copies of every document on which that party will rely, unless that document has previously been submitted to the Secretary. Copies shall also be sent by that party to all other parties to the proceedings.
- 7.6 The Tribunal may proceed with the dispute resolution procedures and make its decision even if the Respondent has failed to serve a Reply. A Respondent who does not complete and serve a Reply in accordance with Section 3 may not, without the leave of the Tribunal, contest any Claim.
- 7.7 If any party deliberately or recklessly misleads the Secretary or the Tribunal as to any facts relevant to the dispute or referral, the Tribunal may dismiss their Claim or strike out their Reply and make punitive awards as to costs.

## 8. Interim Rulings

- 8.1 A Claimant may apply to the Tribunal for interim temporary remedies where necessary in order to preserve the status quo ante pending the Hearing. If any claim for any interim remedy is being made, then subject to Section 7.4, it must be set out on the Claim.
- 8.2 Subject to Section 8.3, such applications shall be heard on a day and at a place and time suitable to the Tribunal, with at least 3 days' notice to the Respondent(s). The Tribunal shall have the same powers as a Court of Law in legal proceedings alleging a breach of contract.

- 8.3 In cases of special urgency, the Tribunal (or, if the Tribunal has not yet been constituted, the Secretary of The Disputes Resolution Authority) may (i) shorten the time required for notice or (ii) dispense with notice, and grant such temporary interim remedy as is appropriate, if the Claimant shows that it has been impossible or impracticable to meet the notice requirements.
- 8.4 No interim remedy shall be granted in the event that the Tribunal or the Secretary of the Disputes Resolution Authority, as the case may be, finds that the Claimant has unreasonably delayed in bringing the application for temporary interim remedy.
- 8.5 If an interim order is made and at the Hearing it is subsequently found that such interim order was inappropriate, the Tribunal may affix the Claimant with liability for any loss or damage thereby incurred by the Respondent(s), unless one or more exceptional countervailing factors are found to exist by the Tribunal.
- 8.6 All parties shall comply with the interim orders of the Tribunal, in default of which the Claim or the Reply (as the case may be) may be struck out without consideration of the substantive Claim.

## 9. Hearings

- 9.1 The Tribunal shall fix the date, time and place of any hearings in the dispute resolution proceedings and shall give the parties as much notice as practicable of same. All such hearings shall be in private.
- 9.2 For the avoidance of doubt, the Tribunal may direct that the parties should make written submissions and that no evidence will be given orally.
- 9.3 Where the proceedings involve a matter of exceptional importance to the Association, the Tribunal in its absolute discretion may invite

submissions from Central Council or any other appropriate party regarding the consequences for members and units of the Association other than those party to the dispute of any decision it might make.

In any case it shall be open to Central Council to make an oral and/or written submission to the Tribunal.

## 10. Witnesses

10.1 The parties must notify the Tribunal and other parties as soon as practicable and within any time limits set by the Tribunal of the identity of any witnesses they wish to call, and, if the Tribunal requires it, each party shall disclose the subject matter and content of the evidence on which each such witness shall be relying and how that evidence relates to the points at issue.

10.2 The Tribunal may question a witness at any stage, and shall supervise the questioning of a witness by the parties.

## 11. Decisions

11.1 If in the opinion of the majority of the Tribunal, one member of the Tribunal has refused or failed to comply with this Code or any applicable law relating to the making of the decision and/or award, having been given a reasonable opportunity to do so, the other members may remove him/her, and the remaining members shall proceed in his/her absence.

11.2 The Tribunal shall decide on any issue by majority. The final decision shall be in writing and shall be accompanied by the reasons on which it is based. The decision shall bear the date on which it was agreed by the Tribunal, and shall be signed by each member of the Tribunal, though it shall not be necessary for each Tribunal member to sign the decision on the same date. Save in exceptional circumstances, to be set out in writing by the Tribunal, the Party deemed by the Tribunal to

have been successful in the disputes resolution proceedings shall, on application, be entitled to its reasonable costs. If requested by either party, the Tribunal shall measure costs.

- 11.3 The Tribunal may direct any party to the dispute resolution proceedings to take, or abstain from taking, any steps, within the Rules of the Association and with due regard to the rights of third parties, including, but not limited to, the re-hearing of any disciplinary or other decision-making process, with or without directions as to the proper procedures to be applied.
- 11.4 In the event of a decision or procedure being quashed, and with agreement of both parties, the Tribunal may conduct a full hearing as if it were an appellate body of last resort under the Rules of the Association, with power to fully conduct the procedure which has been quashed. No decision made by the Tribunal in this context shall be susceptible to appeal or review by any body.
- 11.5 In the event that the parties in dispute agree a resolution of the dispute at any stage in the referral prior to the delivery of the decision, the Tribunal, if satisfied that such proposed resolution is within the Rules of the Association and does not occasion any breach of contract or other act whereby any third party is prejudiced, may ratify the resolution, in which case it shall have the same force as if it were a decision of the Tribunal.
- 11.6 The Chairperson of the Tribunal shall arrange for the decision to be delivered to the Secretary of the Disputes Resolution Authority, and the Secretary shall notify the parties and the Director General of the Gaelic Athletic Association accordingly.

## 12. General Rules

- 12.1 If, notwithstanding the fact that any provision or requirement of this Code has not been complied with, a party proceeds with dispute resolution proceedings without promptly stating its objection, that party shall have waived its right to object.
- 12.2 Save in respect of decisions made prior to the constitution of a Tribunal and the election of its Chairperson, any decision of the Secretary of the Disputes Resolution Authority may be appealed to the Tribunal.

## Appendix 6

### Dr. Croke's Letter

At the founding of the Association the following letter was received from the Most Rev. T. W. Croke, Archbishop of Cashel and Emlly: The Palace, Thurles,  
December 18th, 1884

My Dear Sir - I beg to acknowledge the receipt of your communication inviting me to become a patron of the Gaelic Athletic Association, of which you are it appears, the Hon. Secretary. I accede to your request with the utmost pleasure.

One of the most painful, let me assure you, and at the same time, one of the most frequently recurring, reflections that, as an Irishman, I am compelled to make in connection with the present aspect of things in this country, is derived from the ugly and irritating fact, that we are daily importing from England, not only her manufactured goods, which we cannot help doing, since she has practically strangled our own manufacturing appliances, but, together with her fashions, her accents, her vicious literature, her music, her dances and her manifold mannerisms, her games also, and her pastimes, to the utter discredit of our own grand national sports, and to the sore humiliation, as I believe, of every genuine son and daughter of the old land.

Ball-playing, hurling, football-kicking according to Irish rules, 'casting,' leaping in various ways, wrestling, handy-grips, top-pegging, leap-frog, rounders, tip-in-the hat, and all such favourite exercises and amusements amongst men and boys may now be said to be not only dead and buried, but in several localities to be entirely forgotten and unknown. And what have we got in their stead? We have got such foreign and fantastic field sports as lawn tennis, polo, croquet, cricket, and the like - very excellent, I believe, and health-giving exercises in their way, still not racy of the soil, but rather alien, on the contrary, to it, as are indeed, for the most part, the men and women who first imported, and still continue to patronise them.

And, unfortunately, it is not our national sports alone that are held in dishonour and are dying out, but even our most suggestive national celebrations are being gradually effaced and extinguished, one after another as well. Who hears now of snap-apple night, pancake night, or bon-fire night? They are all things of the past, too vulgar to be spoken of except in ridicule by the degenerate dandies of the day. No doubt, there is something rather pleasing to the eye

in the get-up of a modern man, who arrayed in light attire, with parti-coloured cap on and a racquet in hand, making his way, with or without a companion, to the tennis ground. But for my part, I should vastly prefer to behold, or think of, the youthful athletes whom I used to see in my early days at fair and pattern, bereft of shoes and coat, and thus prepared to play at handball, to fly over any number of horses, to throw the 'sledge', or 'winding-stone', and to test each other's metal and activity by the trying ordeal of 'three leaps', or a 'hop, step and jump'.

Indeed if we continue travelling for the next score years in the same direction that we have been going in for some time past, condemning the sports that were practised by our forefathers, effacing our national features as though we were ashamed of them, and putting on, with England's stuffs and broadcloths, her masher habits and such other effeminate follies as she may recommend, we had better at once, and publicly, abjure our nationality, clap hands for joy at sight of the Union Jack, and place 'England's bloody red' exultantly above the green.

Deprecating as I do any such dire and disgraceful consummation, and seeing in your society of athletes something altogether opposing to it, I shall be happy to do all for it that I can, and authorise you now formally to place my name on the roll of your patrons.

In conclusion, I earnestly hope that our national journals will not disdain in future to give suitable notices of these Irish sports and pastimes which your Society means to patronise and promote, and that the masters and pupils of our Irish Colleges will not henceforth exclude from their athletic programmes such manly exercises as I have just referred to and commemorated.

I remain, my dear Sir,  
Your very faithful servant,  
T. W. CROKE,  
Archbishop of Cashel.

To: Mr. Michael Cusack.  
Hon. Sec. of the Gaelic Athletic Association.

## APPENDIX 7

# MICHAEL CUSACK: MAURICE DAVIN: ARCHBISHOP CROKE

It is no injustice to the services rendered by many zealous and constructive persons connected with the establishment of the Gaelic Athletic Association to accord to Michael Cusack, Maurice Davin and Archbishop Croke the greater share of credit for the creation and character of this National Organisation. Each in his own person embodied and imparted to the movement a distinct principle, and the triple union of aims and impulses thus attained constituted a potent National Ideal.

MICHAEL CUSACK conceived in the Association a powerful bulwark against the inroads of alien influences and ideas of existence. He was the uncompromising champion of all distinctive Gaelic traditions, institutions and cultural possessions and fashioned the G.A.A. as a future army of resurgent Gaeldom. He was born in Carron, Burren, Co. Clare, on the 20th September, 1847, and died 27th November, 1906.

MAURICE DAVIN had the same pride in native customs that fostered manliness. His concern was to preserve the dignity and vindicate the prestige of native athleticism and rescue it from humiliating alien influences. As one of an outstanding family of athletes, he resented these, and no one was better fitted to lead the revolt against them. For this, and because of his personal prowess in the arena, Maurice Davin may justly be acknowledged as the "Father of Modern Irish Athletics". He was born in Carrick-on-Suir,

Co. Tipperary, 29th June, 1842, and died on 26th January, 1927.

DR. CROKE brought a third and immeasurably powerful element of strength into the Association when he became its first Patron. As Archbishop of Cashel, his approval was of the utmost importance. It was opportunely forthcoming, and until the day of his death his interest in the well-being and success of the G.A.A. never diminished. When it was threatened with disruption he brought the dissident parties together: when it was assailed he defended it: when it was in need of practical help, he gave it. A lover of all manly outdoor sports belonging to the people, Dr. Croke realised the immense moral benefits to be gained by organisation and discipline, and as an advocate of national independence, he saw in those self-disciplined ranks an invaluable force for the attainment of that long-sought goal. He was born in Mallow, Co. Cork, on 19th

May, 1824, and died on 22nd July, 1902.

So long as the Gaelic Athletic Association exists and so long as our distinctive pastimes flourish in our midst, the memory and services of these three men, Pioneer, President and Patron, to the cause of a Free and Gaelic Ireland must be held in grateful respect.
